## CONTRIBUTORS

**IVÁN BÉLYÁ CZ** is a member of the Hungarian Academy of Sciences and a university professor. He earned a degree in economics in 1971. Since then, he has taught at the Faculty of Economics of the University of Pécs. He has been a university professor since 1991. He is a member of the Corporate Finance Department of the Institute of Finance and Accountancy. He is the director of the Doctoral School of Business of the Faculty of Economics. Since 2010, he has been an ordinary member of the Hungarian Academy of Sciences. The number of his selected publications exceeds 100.  
belyacz@ktk.pte.hu

**ALEXANDRA POSZA** has been an assistant lecturer at the Institute of Finance and Accountancy of the Faculty of Economics at the University of Pécs since 2016, as well as a doctoral candidate of the Doctoral School of Business. She earned her B.Sc. degree in business administration and management, then her M.Sc. degree in finance at the Faculty of Economics at the University of Pécs. Her fields of research include corporate finance, in particular the real option theory, as well as investments.  
poszaa@ktk.pte.hu

**PÉTER JUHÁ SZ**, PhD, CFA, is an associate professor with habilitation at Corvinus University of Budapest. His areas of specialisation include business valuation, corporate finance, competitiveness, financial modelling and simulation, investment consulting, and financial ethics. He is a qualified trainer and coach, regularly holding various financial training courses in both Hungary and abroad. For almost a decade, he has been a member of the board of the Hungarian Society of Investment Professionals (CFA Hungary).  
peter.juhasz@uni-corvinus.hu

**ANDRÁS MIKOLASEK** is Associate Professor at Corvinus University of Budapest and Deputy Chief Executive Officer at MagNet Community Bank. He successfully defended his PhD thesis entitled 'The basic economics and a few extensions of options pricing' in 1999. He previously held managerial positions at KPMG, CIB and K&H.  
mikolasek.andras@magnetbank.hu

**GÁBOR NAGY** earned his PhD degree in economics at the University of Debrecen in 2015. When writing this publication, we worked at the Validation and SREP Department of the National Bank of Hungary as a Senior Financial Modeller, mainly in the fields of Credit Risk and Stress Testing. Currently, he is an employee of the Market Monitoring and Anti-money Laundering Supervision Department of the National Bank of Hungary.  
nagyga@mnb.hu

**GERGELY BIRÓ** earned his B.Sc. degree in Economic Analysis from Corvinus University of Budapest in 2010, then his M.Sc. degree in Finance in 2013, specialising in investment analysis. In addition, he completed all three modules of the Chartered Financial Analyst programme of the CFA Institute between 2014 and 2016. When writing this publication, he worked at the Validation and SREP Department of the National Bank of Hungary as a Financial Modeller. Currently, he is a modelling advisor in the Financial Services and Risk Management Advisory Division of Ernst & Young, where he mainly works with Hungarian and international banks.  
gergely.biro@hu.ey.com

**LEVENTE KOVÁ CS** has degrees in economics (habilitation, PhD, MBA) and mathematics and physics (MSc). He is the Secretary General of the Hungarian Banking Association, head of the International Finance Department of the University of Miskolc, Deputy Chairman of the Asian Financial Cooperation Association (AFCA, Beijing), and a member of the executive committee of the European Banking Federation (EBF, Brussels). He is the author and editor of several books on finance. He conducts a wide-range of professional and academic research (in the fields of banking operation, interest and commission, clearing and settlement, financial culture).
